Manatee Young Professionals (MYP) is a program of the Manatee Chamber of Commerce geared towards those aged 21-42. As Tampa Bay's longest running YP program, MYP serves as a business, social and community resource.

Local young professionals are invited to join our group and experience valuable networking, meaningful community involvement, enlightening professional/personal development and the opportunity to engage with business and community leaders while enhancing their business connections. There are also other important benefits associated with membership, including MYPerks discounts at local businesses, exclusive event invitations and more.

Annual MYP membership is \$45 for young professionals whose company is a member of the Chamber and \$65 for those whose company is not yet a Chamber member.
